ARNOLD

About Lorena

Lorena Arnold is an author, motivational speaker, entrepreneur and devoted to her family. She is a veteran real estate investor, broker mentor and creator of the movement **Women on FIRE** (Financial Independence Retire Early). Since the early 2000's, she has actively invested in real estate and travels across the nation speaking, training and teaching. Lorena has influenced thousands of students in the area of building wealth. She is passionate about inspiring and motivating individuals, especially women, to be **Wealthy, Healthy and Wise**. She uses a straight forward approach to get out of fear and confusion, to find the courage and confidence to take **inspired action**.

Her Presentations

Lorena Arnold is a public speaker that specializes in motivating and coaching her audiences to dig in and unlock their own creative talents and power. She brings a sense of realness to her audience through humor and stories, while providing practical ways for women entrepreneurs to embrace who they are and let go of what is holding them back!

Every speaking gig Lorena does is tailor-made for her audience. Lorena is very interactive with the audience, asking questions, getting her audience to think big. When she is on stage, you will feel an energy that reaches down into your core and sparks your creative brain to learn & look at things with a fresh perspective. Her quick wit and humor make learning fun and enjoyable, and audiences feel a new sense of confidence to move on achieving their vision.
